

Dementia Wellington - What's coming up in October, November, December 2023

We will keep this plan up to date as possible - feel free to contact your [Dementia Advisor](#) with any questions.

Sessions are in day of the week order.

COG CAFES

A Cog café is an opportunity to socialise with other people and their supporters over a coffee in a local café. There's no need to register, but if you can let the [Dementia Advisor](#) know you are coming, that would be appreciated. You can go to any of the cafes in the Wellington region. A Dementia Advisor will always be present.
